- Hard

best solutions

solutions that will make you ask, "how is this free?"

view PYQs in a **topic-wise** manner or as per **difficulty**

STAGES OF IPMAT PREP

& how **AfterBoards** has you covered

Stage 1.0: learning concepts

ipmat-level topic tests in 4 adaptive levels, starting from the basics!

Stage 2.0: strategy & time management

an AfterBoards student gave 87 sectionals in 45 days!

Stage 3.0: giving mocks

Stage 3.1: overviewing performance

Stage 3.2: analysing mistakes

our most used feature!
we organise your analysis so you don't have to

TOPIC/SUB-TOPIC	EASY	MEDIUM	HARD	TOTAL
Geometry	6	29	17	52
Arithmetic	18	39	7	64
Algebra	18	40		
Modern Math	19	45		
DILR	21	16		
Number System	23	15	10	48
Total	105	184	85	374

Stage 3.3: swot analysis

know your strong & weak areas based on all your attempts!

Stage 4.0: revision

we compile your missed questions from mocks so you can revise efficiently

WHY pick us? we gamify studying for you

Individual

Rank	Name	Oranges
1	Vani Agrawal	15,760
2	Himanshu Agarwal	13,420
3	Bhavesh Shaha	12,110
4	Machine Gun Kelly	10,550
5	Marshall Mathers	9,455

Challenges

create new word of the day sentences everyday and attempt ipmat daily reading comprehensions for free!

180 days of learning:

Forget the rat race - this is the race to become the best version of yourself!

consistency = showing up daily
